

APPLICATION INSTRUCTIONS
SCDNR YOUTH DEER HUNTS - 2008
MEADWESTVACO (MWV) – WALWORTH

The South Carolina Department of Natural Resources (SCDNR) in cooperation with MWV will conduct two youth deer hunts at the company's Walworth Farms tract in Orangeburg County. The youth deer hunts are scheduled on November 1 and December 6. There will be eight youth participating in each hunt. Walworth Farms is managed under MWV's Ecosystem Based Forestry Program to produce wood fiber for mills and to provide opportunity for the multiple uses on forestland. The property is approximately 3900 acres in size, 1800 acres of the tract are in MWV's Recreational Leasing Program and the remaining 2100 acres consist of a MWV Public Relations hunting area. Since the early 1990's, all 3900 acres have been under a Quality Deer Management Program. The three and half year old deer on Walworth will generally weigh 180 pounds with at least eight points and an antler spread of 18 inches. SCDNR would like to thank MWV for providing this potentially great hunting experience for sixteen youths here in South Carolina.

One of the best ways to recruit new youth hunters is through their friends and family that already participate in hunting activities. We support youth sportsmen in encouraging one or more of their friends, who do not hunt, to apply for our youth hunt. DNR especially want to introduce these new hunters to the challenges, thrills and enjoyment associated with hunting. Equally important, we want to make sure this introduction is done safely and ethically. Both youth sportsmen and new hunters, who wish to apply for these hunts must fully complete and return an application that includes a questionnaire about their hunting experience and a completed liability wavier form. Their legal guardian must sign both the application and liability wavier form.

All DNR Youth Deer Hunts will be on Saturday afternoons and will conclude at sunset. At each hunt, there will be a brief discussion of deer biology and the role of hunting in wildlife management along with detailed comments regarding sportsmanship and hunter ethics. There will be a thorough review of firearms safety. More detailed instructions and directions to the hunt sites will be provided to applicants who are selected based on a random drawing. If parents have further questions regarding safety, supervision, etc., please contact Willie Simmons, DNR Wildlife Biologist at 803-734-3898 or E-mail SimmonsW@dnr.sc.gov.

The age requirements for these special youth deer hunts are 10 through 17, inclusive. There is no application fee or any other costs associated with these hunts. Participants who are 16 and 17 will be required to have a hunting license. Young people who have an interest in trying deer hunting but have not had previous opportunities because they lacked a hunting connection should certainly apply. Applications are available from the Columbia DNR Office or the DNR website at www.dnr.sc.gov. Applications can also be copied. Completed applications must be received at the Columbia DNR Office by 5:00 p. m. on Friday, October 17, 2008 for the hunts. Good luck!
